Waterfront Restaurant & Function Centre

## **Seafood Platters, Mud Crabs, Crayfish**

At The Boathouse we take pride in offering our guests the freshest produce available, especially so for seafood platters.

We are able to offer you the opportunity to personalise your choices to create your perfect platter for you or to share with your guests. You can be served a cold course of seafood as your 1<sup>st</sup> course. Choose from fresh prawns, crabs, bugs, crays, oysters or perhaps a sashimi. After a palate cleanser you can tackle the hot side, which we like to serve in the fashion of grazing, giving you the time to enjoy what you might like. Choose from mussels, vongole, prawns, scampi, soft shell crab, yabbies or from our range of fish to name some of the options. Feel free to ask about anything you may want. Market price on the day dictates the final cost for you.

If you are interested in having a seafood platter or other speciality items please call the restaurant for more information.
